*WARRIOR*

*J. T. BARBER HIGH SCHOOL*

*New Bern, North Carolina*

For everything there is a time, and for us, the time is now, for we will pass this way but once and we must make the best of it now because we will never have the opportunity to pass this way again.

We feel that we have made the best of our journey thus far, by being what we are, which is only natural, but becoming what we are capable of becoming is our goal. This is in every way for us, a challenge as well as a task.

To many, in the process of attaining their goals, life seemed like a pitless bend; consequently, some lost, but we must win --- our only end of life; therefore, take a glimpse into our lives, as students and observe the events that have made us what we are, thus far.

MRS. G. S. HOLLINSWORTH

MRS. HOLLINGSWORTH has been with us for only one year does not mean we have not appreciated her efforts; for there is a place for her in our hearts too . . .

MR. A. ATTMORE

MR. ATTMORE has served us faithfully and diligently during all our high school years, doing everything in his power to guide us in the right path . . .

MRS. E. R. NIXON

MRS. NIXON has tried in every way during the two years she has been with us, to render any service possible . . .

*We dedicate to them*

MRS. A. S. MOORE

MRS. A. S. MOORE, who to the most of us seems more like a mother than an advisor, has worked industriously during her three years to keep us headed toward our goal ...

MR. S. E. COATES

MR. COATES has inspired us by the many talks he has given us to continue our strives to reach the peaks in our lives and by his deep concern for our educational development ...

MRS. E. B. RICHARDSON

MRS. RICHARDSON has been so thoughtful and understanding, our feelings for her over the four years have grown daily ...

Their faces we still remember,  
Their smiles and sorrows too  
We realize they were wonderful  
and what happened to them will happen to you.

*Memory*

GEORGE WILLIAM HOLDEN  
March 29, 1951 - May 29, 1965

They will always be remembered  
For in our hearts and minds;  
We know their job on earth is done  
and for us its just be run.
